Update letter

Well, it's been a while since our last update letter. I wanted to get you folks updated on our Adventures. We had a great summer full of Retreats, 6 weeks of Camps, along with being out several Sundays traveling and then home to help during the Camps & Retreats. We have been busy. Please don't get me wrong, I'm not complaining at all, busy for Him is just fine. Our health is doing great for 62 and 60 year old Senior Citizens. We are sure excited about this Fall and all God has for us!

We do have a fairly full schedule this Fall but still have a few Sundays available. We have had the privilege to preach several Camp meetings, Missions Conferences, Special Sundays, Revivals and even Pulpit supply. Our greatest desire is to be profitable for the ministry God has allowed us to serve in!

If you need us give us a call but more importantly, please pray for us that as we finish the course, we will keep the Faith.

God is still changing lives here at Calvary!! Come and see what God is doing here and please pray as we continue to Throw a Rope of Hope to those in need!

God Bless & Happy Trails

P.S. We have posted our updated Itinerary!
