

# **Bro. JR & Mrs. Jenny McDonald Update Letter**

## **February 2024**

Dear Friends,

Just wanted to write a quick note to update you on the journey God has put these two old people on.

After much prayer and counsel from our pastor, we will be staying close to the Ministry here at Calvary until Fall. This is a very busy time here at Calvary. With the Retreats, Special Meetings and Summer Camps coming up we feel God would have us to not be out on week long meetings. We will preach out on some Sundays but be back home during the week to help with the Ministry here. We did cancel a few meetings and I'm thankful to those Pastors who were very understanding.

We are excited about all God is doing here at Calvary and we are excited about being available to help at Calvary any way we can.

I love to be able to fill pulpits, preach special days and tell about the Ministry here at Calvary. We will still be available to do this. Sometimes God just stirs things up and in my 62-year-old mind, there are anxious moments, but God is always right. Calvary Baptist Ministries and serving the Lord burns in my heart and I'm so thankful to still get to be a part.

Call us if you need us. We will keep serving Him wherever and however He wants.

God Bless and Happy Trails,

Bro. JR & Jenny
